Invitation to join KSSTA Editorial Board

Dear Dr Papavasiliou,

On behalf of the *Knee Surgery, Sports Traumatology, Arthroscopy (KSSTA)* journal, we are delighted to invite you to join our editorial board and help shape the future of ESSKA's official journal. KSSTA is a leading peer-reviewed publication with a current Impact Factor of 3.3 (2023), led by Editor-in-Chief Prof. Michael T. Hirschmann, alongside Deputy Editors-in-Chief Prof. Volker Musahl, Prof. Giuseppe Milano, and Dr. Elmar Herbst.

Every two years, we renew and expand our editorial board to include exceptional scientists and contributors, and we are pleased to propose you as a new member. Your work and reputation have earned highest regard, and we believe your expertise would be invaluable to KSSTA

As an Editorial Board member, your responsibilities would include:

- Performing approximately six peer reviews annually (with the option to decline one in four invitations).
- Attending at least one Editorial Board meeting every two ESSKA Congresses.
- Serving as an ambassador for KSSTA within your country, encouraging submissions and promoting the citation of KSSTA articles.
- Supporting the journal's growth by suggesting new topics, particularly for review articles.

As a board member, you'll receive an online profile with your bio and photo featured on the journal's website, as well as complimentary online access to KSSTA and its archives (if you are not already an ESSKA member).

We sincerely hope you'll accept this invitation, and we look forward to your confirmation at kssta@esska.org.

Thank you for considering this opportunity to contribute to KSSTA's ongoing success.

Warm regards,

Michael T. Hirschmann
